COPE 491 – URGENT COMMUNIQUE

(Wednesday October 14, 2015)

**There have been many rumours circulating
throughout our offices.....
please be advised that COPE 491 is NOT going on
strike at this time!**

**Should CSU go out on strike, COPE 491 members
across Canada need to
RESPECT THE CSU PICKET LINES.**

Please report to work as usual...

**COPE will contact the Employer indicating that our
members are at work, but unable to get into the
buildings due to picket lines set in place by CSU.**

**Communication to all of our COPE 491 brothers and
sisters will resume via personal email addresses you
have provided during this process.**

**Once again, the COPE 491 Bargaining Committee
appreciates your support and solidarity during this
time.**
