Sisters & Brothers:

Your COPE 491 Executive would like to share with you that the strength and solidarity of our Local, along with the work of the Employer, has resulted in the Ontario Labour Relations Board dismissing the application submitted by “ROSIE 2”.

At this time, the vote that was tentatively scheduled for November 29th at the National Office has been cancelled.

The Table Officers will remain to be available to meet with members, as planned, between 11:00 am and 2:00 pm at National Office. We hope members will stop in to share their questions and concerns.

In solidarity,

Karen Carle
President
COPE 491
