

**RACHEL ROBERTS**  
Communication Education Officer

**MAKE YOUR VOTE COUNT!  
VOTE FOR CONSISTENCY, VOTE FOR  
WHO IS WORKING FOR YOU!**

**Sisters and Brothers,**

**My name is Rachel Roberts and I am again running for the position of Communication Education Officer and want to take this opportunity to share a few things with you to help you make a decision during the election. Over the past few months, I have stepped in and covered the Communication Education Officer position following two resignations. I have done this because I believe communication is important and the Communication Education Officer position should not be taken lightly or left vacant. We as members need communication and we need information in a timely manner. I am, and always have been, committed to keeping the lines of communication open and flowing smoothly.**

**I have been the COPE RVP of the BC Region since 2003. For the past 14 years in the BC RVP position, I have stayed active within our local and learned a lot about the Labour movement as well as our unique situation with a nation-wide local.**

**One of my passions has been communication within our union and I have always been on the side of more information shared in a timely fashion with our members is best for our union.**

**In early summer of this year I was appointed to cover the Communication Education Officer position until an election could take place. During those few months I created new email groupings to ensure communication flow was effective and timely. Our website was updated promptly. Again, during this current vacancy, I stepped in and have been working as the Interim Communication Education Officer since early October. I have worked on the website and kept email communications going out promptly and ensuring that the information is received by members.**

**If given the opportunity to continue in this position, I will continue to commit time and energy into ensuring the lines of communication remain open and accessible for all members of COPE-491 across Canada.**

**I would be honored to have your support and vote during the election and would serve in my role with full dedication. Please make your vote count and vote for consistency, vote for proven dedication, vote for me!**

**In solidarity,**

**RACHEL ROBERTS**
