Greetings:

The COPE Bargaining Committee met with CSU and the Employer on Thursday, September 13th. We were able to reach an agreement with the pension settlers (CUPE and CSU) for improvements to the pension plan.

We will send more detailed information, but we wanted to share this news with you immediately!

We will continue bargaining with the Employer on October 2 & 3 and are hoping that the process continues to be positive.

In solidarity,

COPE 491 Bargaining Team
