Tammy Laurin

NOMINATED FOR SECRETARY/
EN NOMINATION POUR SECRÉTAIRE

Sisters and Brothers, / Consœurs et confrères,

I have been with COPE/SCFP for over 12 years now and have seen many changes and challenges for our members.

Many of you know me in my role as one of the RVP's at National Office which I have held for over a year, and I have been in the position as interim Secretary for COPE 491 for a month. I would like to continue as your Secretary for the next year.

I am the type of person who you can talk to in private and know that if there is anything that is said will be kept in private. I am here for our members.

There are many issues we are contending with and I intend on being a collaborative, productive part of our executive in order to resolve those issues. I will do my part to bring you comprehensive and transparent communication.

I am asking you to vote for me as your Secretary and I'm extending an invitation to contact me at any time at the National Office 613-212-4273, I'd be happy to answer any questions.

In Solidarity,

Tammy Laurin
