

VOTE FOR ME / VOTEZ POUR MOI

## Tammy Laurin

Nominated For / En nomination pour

**NATIONAL VICE-PRESIDENT / VICE-PRÉSIDENTE**

Sisters and Brothers, / Consœurs et confrères,

I have been with COPE/SEPB for over 12 years now and have seen many changes and challenges for our members. Many of you know me in the role of RVP at the National Office which I have held for over a year, or more recently, I have been in the position of Secretary for COPE 491. I would like to continue to serve our members in a more active role where I can deal more directly with the employer and represent all members across the country while upholding our Collective Agreement.

I am personable, a safe person anyone can talk too, e-mail or phone and know that your issue is being taken seriously and will be investigated in a speedy and professional manner.

There are many issues we are contending with across the country and I intend on being a collaborative, productive part of our executive in order to resolve those issues. I will do my part to bring you comprehensive and transparent communication.

I am asking you to vote for me as your National Vice President and I am extending an invitation to contact me at any time at the National Office 613-212-4273, I will be happy to answer any of your questions.

In Solidarity,

*Tammy Laurin*
