## **Trustee**

---

Thank you to my co-workers who nominated me for trustee!

I am someone you can trust, am very hardworking and thorough. I have been working at CUPE as a COPE member for 6.5 years. During this time, I worked mostly in the accounting department (both Accounts Receivable and Accounts Payable), where I recently got my permanency in accounts payable. I love getting involved and helping where I can. Many here at National know me from our little Social Committee where I help with our annual holiday lunch and United way activities. I would also love to get more involved with our union. Helping to verify the books and provide reports seems like a great area for me to offer my accounting experience and help our members.
