Dear Sisters and Brothers:

RE: COPE491 Update

The bargaining committee would like to inform the members that contrary to what rumours have been floating around, COPE491 has not received another offer from the Employer and we reiterate that updates will be distributed to members in a timely fashion.

We have repeatedly asked for additional dates and as of 2:00 p.m. EST we have not received any.

We thank you for your continued support.

In solidarity,

COPE491 Bargaining Committee
