COPE 491 – COMMUNIQUE

- Bargaining Update -

(Tuesday October 20, 2015)

Negotiations continue. The employer responded electronically to our package late Friday night. The bargaining committee met via conference call on Saturday afternoon and put together a counter offer which was sent to the employer on Saturday night.

COPE met with the Conciliation Officer and John Lepine of CUPE National yesterday – Monday October 19th. This was an information session and also was to achieve a No Board. It was a productive meeting and the Conciliation Officer has declared a “No Board” should we need it.

More details will be coming out this week.

Know your bargaining committee is working hard on your behalf and we thank you for your continued support.

In solidarity,
COPE 491 Bargaining Committee
