

## RVP 5a

My name is Daniela Greco and I'm a secretary in the London Area Office for just over a year, but a COPE member for 5 years. Prior to working for CUPE, I was a CUPE member for 20 years. Below are some of the committees and courses I completed:

- Certified Health and Safety Committee Member
- Injured Worker Chair
- By Law Committee
- Strike Averting Committee
- Joint Labour Management Committee
- Labour Law
- Employment Standards Act
- Employment Standards Act
- Ontario Labour Relations Act
- ODRT Trained

All members deserve prompt, clear and concise communications. Working with the RVP 5b will ensure information is up to date, accurate and provided to the members in a timely fashion. Transparency, better accountability and a voice for our members, is what I intend to work towards. I have a passion for the union and working with members to make our union stronger and more cohesive.

Vote for change, vote for better communication, vote for transparency, vote for Daniela Greco for RVP 5a.
