

Hi,

My name is Karri Patterson and I am a Secretary working out of the Atlantic Regional Office in Dartmouth, NS, as well, I have been the RVP for the Atlantic Region since 2011, the COPE Representative of our JOHS Committee and I was on the Bargaining Committee for the last two rounds of negotiations.

I have been employed with CUPE for 8 years. I'm married and have a daughter. I have taken many educational courses such as bargaining skills, financial officers and steward learning series to name a few. From my other work experiences, I have a broad understanding of Employee/Employer relations and I believe this brings a fresh perspective to bargaining. Effective communication is essential to the strong functioning of this union, and I would be honored to contribute my skills and experience to this position.

In solidarity,

Karri
