

SANDRA LENUIK

For

 COPE 491 Secretary

My name is Sandra Lenuik and I am currently the COPE 491 BC RVP and I am also serving our Local as the Acting National Vice President.

These last few months as Acting National Vice President have shown me more about the structure and inner workings of our Local Union. All the hours of work, the commitment, and the desire to do what is best for all the members - this is what I saw in our Table Officers and Executive Members. It made me proud to be part of the team.

I would like to continue on serving our Local as a Table Officer and I feel that the Secretary position would best utilize my skill set and be beneficial to our Local. Part of my skill set is the ability to think outside of the box, highly organized, dedicated, paying attention to detail, working to see a job through to the end, these are all good tools for a Secretary. I have these tools and will utilize them to do my best to serve the interests of COPE 491 members.

Thank you for your time and consideration.
