

Daniela Greco for COPE 491

Secretary

My name is Daniela Greco and I'm currently a secretary in the WSIB department at the Ontario Regional Office. Prior to working for CUPE, I was a CUPE member with Local 2191. Throughout my 20 years as a CUPE member and a COPE member, I sat on various committees as well as, going back to school to complete my paralegal certification.

I have a passion for the union and working with members to make our union stronger and more cohesive.

I'm running for Secretary because I believe all members deserve prompt, clear and concise communication.

If elected, I will work closely with the Executive to ensure information is up to date, accurate and provided to the members in a timely fashion. Transparency, better accountability and a voice for our members, is what I intend to work towards.
