

Lise Bettac for: Regional Vice President AB

What does Lise bring to the table?

- Executive at Large, Steward, Chief Steward of Local 417 (800+ members)
- One year term as General VP with Alberta Division
- Job Evaluation Committee at City of Red Deer
- Bargaining Committee for City of Red Deer - two rounds
- Member Facilitator for CUPE Education
- Alberta Division OH&S and Environment Committee member
- Attended numerous union training events
- Represented COPE 491 at the AFL convention 2021
- Love our Alberta COPE team and want to keep our workplace respect and morale up
- Have worked well with CUPE AB Division Executive, committee members and local executives to continue to support the labour movement
- Great believer that we are a valuable part of CUPE's team and that we all do better when we support each, share with each other & work together
- Believe in bringing people up, not bringing them down

"I believe our union executive is accountable to its members and should always be working with the greater good in mind"

A little more about Lise:

- Name on birth certificate is Roma Lise Bettac – parents always called me Lise
- In my previous life I obtained a BSc in Microbiology
- Worked as a lab tech at an asphalt refinery, ammonia/urea plant and wastewater treatment plant
- Ended my career at the City of Red Deer Wastewater Treatment Plant as the Quality Management Coordinator/Lab Supervisor
- Love union people !
