

Hello! My name is Theresa Walkowski. I am currently the Saskatchewan Regional Vice-president. I started working as a temporary secretary with CUPE in 2012 and became permanent in 2014. Previous to that, I was a member of CUPE Local 3967, working in the health care sector.

During my time as the RVP for Saskatchewan, I've come to more fully understand and appreciate the amount of work our COPE 491 executive does on our behalf. In my role I have developed experience and confidence in my ability to serve Saskatchewan members as their COPE 491 representative.

I take pride in my minute taking abilities, paying great attention to details, and I have a lot of practice taking minutes with my current job assignment. I am driven with excellent time management and organizational skills. I am eager to learn and develop new strengths as your COPE 491 Secretary.

I believe in clear, frequent communication with the membership, and I will demonstrate this in my role as Secretary by sending out reports and correspondence in a timely manner and by maintaining up-to-date information of all union officers and committee members.

I care deeply for my job and my fellow COPE members. I am passionate about serving this membership, and I know I will be a valuable addition to the COPE 491 Table Officers.
