## **BRANDI KEHOE FOR PRESIDENT!**

You can count on me to continue working hard for our bargaining unit on the important work that our members deserve like:

- ✓ Communication
- ✓ Inclusion
- ✓ Strengthened Relationships
- ✓ Activism
- ✓ Education
- ✓ Unity

I have been honoured to lead our local through great initiatives including our in-depth workload review report and presentation, creating new committees, getting COPE recognized and invited to CUPE events, meetings, convention and other conferences. I have also helped to strengthen COPE 491's relationship with other Unions and COPE Locals across the country.

If you would like to know more, please reach out to me!

In Solidarity, **Brandi**
