

VOTE Sadie Harper for Regional Vice-President

I would like to firstly begin by thanking my nominator, and YOU for taking the time out of your day to read this - and for considering me as your next RVP of Region 5A.

CUPE has been in my life for many years, as my mom was an active member in her local before moving on to work as staff. I worked in marketing and advertising for seven years when I decided that it was no longer for me and started working for CUPE in the London Area Office in 2022. I no longer wished to subject myself (or witness others be subjected) to the shameful working conditions and expectations that exist in the marketing industry.

However, I do not regret my previous career as it provided me with incredible experiences, opportunities, and skills that set me up for success in my current role as an Administrative Support Professional. I am thrilled to now work for an organization that I can be proud of!

I was born in Toronto and spent most of my life there. In 2021 I moved to London with my husband to buy our first home. We just got married on our ten-year anniversary on August 13th, 2023. I will be formally changing my last name very soon! My husband is a Letter Carrier for Canada Post and a proud member of CUPW Local 566. We have a beagle named Dobby and a cat named Link. My interests include music/singing, animals, nature, crafting, and reading. I'm a big fan of The Nightmare Before Christmas, and I listen to a lot of oldies rock n roll, but many are shocked to find out that I love bands like Korn and artists like Rob Zombie and Ozzy Osbourne. I've seen Pink live five times. Not only do I think she is an incredible artist, but I love everything that she stands for.

I truly believe in the power of unions, and I enjoy being an active member of our local. **It is important to me that our members are engaged and provided the opportunity to be involved and kept informed.** I look forward to getting to know you all more!

I am:

- Passionate
- Dedicated
- Detail Orientated
- Solution focused
- Goal orientated
- Versatile and adaptable
- Committed

In solidarity,

Sadie
