

**TRUSTEE 3-Year Position
Debbie Churchill**

I was an employee of School District No. 68 (Nanaimo-Ladysmith) for 45 years and the Executive Assistant with CUPE Local 606. Part of my assignment with the SD68 was accounts for Senior Secretary Schools and Career Technical Centre. I completed Secretary-Treasurer duties for CUPE Local 606 and prepared the documents for Audit purposes twice a year for our Trustees.

Currently, I am working at the Atlantic Regional Office as an Administrative Office Professional after driving across Canada to bring my daughter to attend Dalhousie for her PhD.

Thank you for your consideration and I look forward to becoming more involved with our COPE Brothers and Sisters.

In solidarity,

Debbie Churchill
