

# KRISTIN GIBSON

FOR 5A RVP

I started with CUPE in 2019 after my mom Lynn MacKenzie retired after 20 years. I loved getting into passionate debates with her about all things union.

I love cold left overs for breakfast, diet pepsi, a campfire and my kids. I am an avid volunteer with children and seniors; in my free time we boat, camp and explore our beautiful country... usually with my camera in hand.

I am so proud of the progress we have made within COPE - I can't wait to be a part of the continued growth.
