### **Dear COPE Family,**

I am honored to run for the position of Treasurer. If elected, I will continue to build a strong financial foundation for our local. I believe it is vital for our local to have a strong financial base to ensure we are fully ready to meet the challenges ahead and do whatever needs to be done. With upcoming bargaining in 2025, we will need all available resources to achieve a fair and equitable collective agreement with the employer.

Afterall, this is OUR money, and I am committed to transparency, accountability and ensuring every decision made serves the best interest of all COPE 491 members.

In solidarity,

Daniela Greco

RVP - Ontario 5B
