ABOUT MYSELF:

Hello, my name is Krista Napl and I am running for the position of Recording Secretary for COPE Local 491. I started working occasionally as a temporary Administrative Support Professional with CUPE in 2019 but have been full-time in my temp assignment at the Cranbrook Are Office since 2022.

I became a union member in 2010 in my role as an Education Assistant within the CUPE K-12 sector in B.C. I became a Recording Secretary for my Local in 2013 and had the opportunity to be President for one term. I had to resign because of my commitment to COPE in my roll as an ASP. I am currently the 2nd Vice-President of the East Kootenay District Labour Council.

During my time spent in these rolls, I have gained valuable insights into our Union's operations and the importance of thorough record-keeping.

I believe in the power of solidarity, the strength of collective action, and the fundamental right of workers to have a voice in shaping their future. I care deeply for my job and my fellow COPE members. I am passionate about serving this membership and know I will be a valuable addition to the COPE 491 Table Officers.

Please reach out if you would like to know more about me. Thank you so much for your support.

In solidarity,
Krista
