

Trustee 2-Year Position

Hello, my name is Krista Napl, and that gorgeous Bulldog in my picture is Minnie, otherwise known as Moo Moo. She's been with me for almost 2 years now, and is the most stubborn bulldog I have ever met. I have two young daughters and I have a passion for making decorated sugar cookies and tap dancing (not simultaneously).

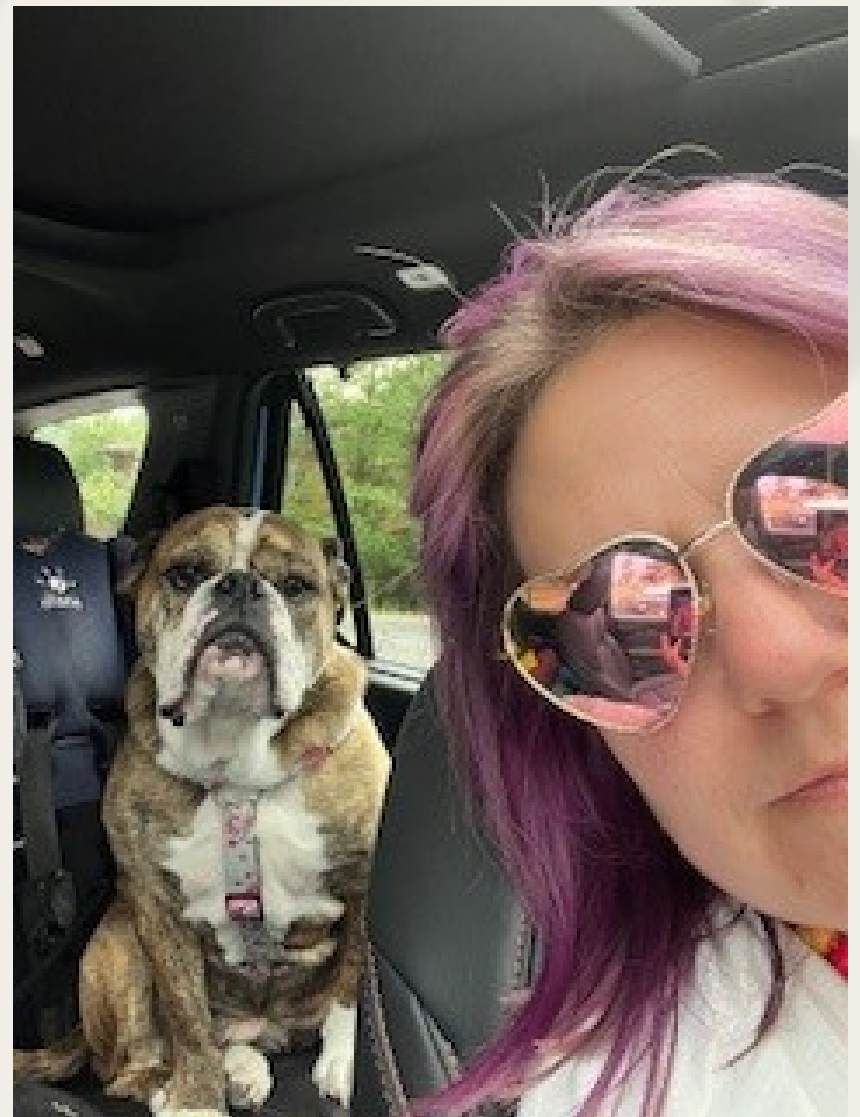

I currently work at the Cranbrook Area Office in B.C. as an Administrative Support Professional. I have been in this temporary assignment since 2022.

I would love your support as I run for Trustee – 2-year Term (Bi-election).

I spent 10-years as the Recording Secretary for CUPE Local 4165 School District No 5, Southeast Kootenay, B.C., and during that time I ensured that my minutes were organized with monetary motions highlighted and tabbed to help our Trustees during their audits. During the 2014 B.C. Teacher's strike, I helped with Strike Pay and record keeping.

Although I haven't been a Trustee in the past, I have had the pleasure of working with two of the best Secretary Treasurers in my Local, along with a team of dedicated Trustees that always ensured proper financial controls existed and were being used.

Through my union involvement as well as my experience as a past President of my Local, I have gained valuable experience and insight to the importance of ensuring proper audits take place, and sometimes how difficult it is to fill this position.

I would be happy to serve our Local in this role and look forward to becoming more involved with our COPE siblings.

In Solidarity,
Krista
