

*Hello, I'm*

## **Angela Coleman**

My career with CUPE began in 2002 and has included working in the Hamilton and Niagara Area Offices. I have been married to my high school sweetheart, Chris, for 29 years. We have two girls, Melissa and Karleigh. With both my girls deeply into all-star competitive cheerleading, I add the role of Cheer Mom to my list! We also can't forget our multi poo named Pebbles.

As the COPE 491 Regional Vice President, Ontario - Region 5A I have been actively involved in my region and our members. The reason for the interest in becoming part of the Bargaining Committee is simple - ALL OF YOU! From Gen X to Gen Z my goal is support all of the members. My intention has always been to assist with our local moving in a forward direction and flourishing. COPE 491 has been an integral part of my life for many years and I am a proud member. My involvement in the Local started in 2008 when I was the President of COPE 491. My roles with various organizations allows me to bring my organizational and leadership skills to this very important role within our Local. I will be your voice and work hard with the entire committee to achieve the best Collective Agreement possible for all of us.
