

# RACHEL ROBERTS

## FOR WESTERN REGION BARGAINING COMMITTEE MEMBER

### **Vote for Experience! Vote for a STRONG Voice!**

I have served COPE491 in various positions for over 20 years. During my terms, I have been an advocate for communication with the members and for a strong front when dealing with our Employer. We need to fill our bargaining committee with experience, knowledge and strong voices. I

served as a bargaining committee last round and look forward to continuing the strides we made with benefits and wages and improved language in our agreement. I am asking for your vote this time to be one of the bargaining committee members who will listen, learn, and advocate during bargaining and to keep you INFORMED during the process. I ask for your vote to keep our local moving forward. I commit to dedicating time, energy, knowledge and experience for the better results for ALL members – to be a consistent resource and contact for our West Region.

**Thank you for your consideration and I look forward to serving as a bargaining committee member with full dedication and strength.**

**20+ years  
experience**

**Dedicated to  
communicating  
with members  
and keeping  
members  
informed in a  
timely manner**

**Communication  
flow is easier  
with the  
Communication  
Officer on the  
committee!**
